

Fresh Flower Cemetery Vase
Ultra-durable ground level vase is
manufactured from commercial grade
polymers for years of trouble-free use.

Cemetery Vase

The flush to the ground design withstands
damage from mowers, maintenance equipment
and foot traffic.

Unique ground level design features:

- Ultra-durable material for years of use.
- Ground level design reduces damage and discourages vandalism and theft.
- Removeable insert with four water cups keeps flowers fresher longer.
- Earth-tone color palette, choose from: earth brown, olive green or grey granite.
- Easy to install.

Great value! Durability, design and function at
an affordable price.

ITEM # 1100

Temporary Cross Grave Marker

- A high quality temporary grave marker that is also a treasured keepsake.
- Made of commercial grade polymer resin with a marble-like appearance.
- Can be ordered with blank color matching labels to personalize the name of the deceased.

Use it as a marketing tool. Offering a temporary grave marker is a thoughtful and dignified way to keep in contact with the families you have served. After the permanent headstone is installed, send or personally present the cross to the family with your compliments.
